The Senior Citizen Council of Cobb County

The Senior Citizen Council of Cobb County was founded in 1973 as a tax exempt 501 (c) (3) organization under the auspices of Cobb Senior Services. The Council operates exclusively for the promotion of social welfare for residents age fifty-five (55) and older. It encourages seniors to stay active, involved in the community, and provides a forum on aging issues.

The Council recognizes contributions made by senior volunteers and community leaders, awards scholarships to students in gerontology programs, and supports the Cobb Senior Centers as well as many other organizations that advocate and promote the welfare of seniors in Cobb and the region.

The Council sponsors many senior-related projects including The Senior Resource Directory, The Vial of Life, The Medical Information Card, and the Senior Housing Task Force. The Council helps underwrite and promote many programs that enhance life for seniors in Cobb County.

The Bulletin, a monthly newspaper published by the Council, is the most comprehensive senior publication in Cobb County. It informs members about available resources, legislation, events, trips, and activities offered by the Council, member clubs and Senior Services.

The Senior Citizen Council is associated with:
